Overview

We are looking for a hardworking general maintenance person to work across our three sites in North Yorkshire, our two Michelin-starred restaurants, The Black Swan at Oldstead and Roots York, and our food box production facility, Made In Oldstead.

Working as part of the operations team to ensure the maintenance of our facilities and equipment, this role is crucial in the smooth running of our three sites across Tommy Banks Group.

The role and responsibilities

- Building upkeep, maintenance, and repairs, including but not limited to plumbing, painting, electrical work, basic carpentry, joinery, and other general DIY
- Maintain records of any work and inspections done on-premises
- Keep repair tools and supplies clean and organised
- Conduct routine maintenance on equipment and building systems
- Complete safety checks on systems and equipment
- Detect, identify, and repair building issues, like basic problems with the building's electric and plumbing systems
- Respond to and complete maintenance requests from Directors and Operations Manager

The Person

- The ideal candidate will be time served
- Excellent communication and organisational skills
- A friendly and approachable manner
- Great attention to detail
- Fantastic experience in general repair and maintenance with the duties outlined above
- Own transport required (mileage allowance provided)

The benefits of working with us

Our people are the most important part of our business, and we provide a fantastic place to grow and develop your skills with excellent pay and good work/life balance. We offer:

- Competitive salary
- Private health insurance (After 18 months service)
- Staff discounts across the group
- Flexible working
- The opportunity to work in a growing and exciting business
